<u>PROGRAMS</u>	<u>POPULATION SERVED</u>
<u>USAG-HI SCHOOL-AGE SERVICES PROGRAM</u>	Grades K-5.

PROGRAM DESCRIPTION/SERVICES PROVIDED

The mission of the USAG-HI School-Age Services Program is to provide a quality-supervised program that ensures military youth, grades K-5, and experience positive individual and group activities that compliment rather than duplicate the school day. The School-Age delivery system offers before and after school programs, full-day programs during school vacations, state holidays, and other school closures, and summer day camp during the long school break between June and August. Activities are organized within four service areas: Arts, Recreation, and Leisure; Life Skills, Citizenship and Leadership; Sports, Fitness and Health; and Mentoring, Intervention and Education Support Services.

The before school program operates from 0545 until the children are transported to school. A USDA menu approved breakfast is served before the children leave for school. The after school program begins when the children arrive from school until 1800. A snack is served each day around 1500. The full-day program operates from 0545-1800 and a lunch is served along with the morning breakfast and afternoon snack. Monthly fees are based on total family income and covers the entire cost of the program.

USAG-HI School-Age programs are certified by the Department of the Army to operate and follow strict mandatory standards in the daily operation of their programs. The programs are currently undergoing national accreditation from the National School Age Care Alliance organization, in which two Aliamanu Military Reserve (AMR) and Fort Shafter (FS) have achieved.
